bioDevelopments International Intitute is a non-profit organization established in the State of New York, USA, bringing people together for the joint development of solutions to problems that extend beyond geographic and cultural frontiers. The Institute is aimed at improving the lives of people and their natural environments. In partnership with public and private organizations, the Institute conducts collaborative and interdisciplinary policy research, undertakes capacity building and training activities, and convenes meetings:

- to generate and expand novel ideas, realistic options and pragmatic strategies to solve important international development and environmental issues;
- to share ideas, options and solutions with policy-makers, academia and other groups worldwide;
- to promote long-term thinking and sound economic and human development; and
- to further an understanding of societies global interconnection

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
