A+ Science is an established clinical research institute, characterised by a philosophy of strong academic partnership as the foundation for achieving commercial goals in clinical development. Our mission is to support product development by providing the concept, resources, expertise, and experience to design, rapidly recruit and report, high quality, and original phase I-IV clinical trials.

Based in Sweden - with offices in Göteborg and Stockholm –

A+ Science runs clinical programmes throughout the Scandinavian region and beyond. We are currently expanding our network of study centres and clinicians into Northern and Eastern Europe, and the US.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
