Amphray's formulation department manufactures a vast range of medicines from simple Paracetamol Tablets to any specialized formulations. G. Amphray Laboratories was established in 1966 by setting up a modest multipurpose Bulk Drugs Pharmaceutical Factory at Bhiwandi near Mumbai. In 1979 the Second Unit was started at Ambernath to manufacture Pharmaceutical bulk Drugs, and the Third Unit to manufacture Paracetamol Bulk Drugs and Formulations started in 1982 at Ambernath. All the Bulk Drugs and Formulations are exported to all over the world. Whatever, we produce since last 37 years, more than 95% of our production we are exporting and we are having our most valuable, long-standing customers, who are buying regularly and continuously from us. We are having our Warehouse in Hamburg, Germany from where you can have the ready stock material immediately and we can arrange shipment from our Hamburg Warehouse anywhere in the Globe. We have Drug Master File No. 5910 of FDA, United States of America for Acetaminophen USP (to be renewed). Similarly for Paracetamol BP from the Netherlands DMF No. 1028, New Zealand DMF No. TT60-243-13-1, Taiwan DMF No. 020868. Certificate of Suitability, Registration No. CEP-96-56 for the European Community, Besides this, we are also applying for DMF in Italy. Our Plant is approved by the FDA for Good Manufacturing Practices (GMP) in line with WHO Guidelines.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
