A subsidiary of Italy-based Amplifon S.p.A, the worldwide leader in hearing aid distribution, Amplifon USA is parent company to three of North America's most prominent and respected providers of hearing instruments and services: Miracle-Ear, National Hearing Centers and Sonus. In 1999 Amplifon USA was established to manage and grow Miracle-Ear®, one of the oldest and most recognized brands in the hearing aid industry. Founded in 1948, Miracle-Ear currently dispenses hearing aids and services at more than 1,000 locations, many of which are located in Sears stores

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
