Banner Pharmacaps is a worldwide manufacturing organization of soft elastic gelatin capsules. Our endeavor is to help our customers to develop solutions to their formulation objectives with advanced technology, speed, cost effectiveness and quality. Our Global Investments in R&D and manufacturing has prepared us to implement our customers' concepts whatever the scale or complexity. In India, Banner Pharamcaps provides world-class services with maufacturing facilities at Sarigam, Gujarat and at Bangalore in Karnataka. Our State of the art plant at Bangalore meets and frequently exceeds regulatory standards and has already received accreditations from U.K. M.C.A. and Australian T.G.A. It is the only world class facility of its kind in the Asia Pacific region.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
