Formed more than two decades ago in response to the need for the safety assessment of flavor ingredients, Burdock Group has grown to include experts from across the spectrum of toxicology and regulatory affairs. We offer our clients - including many industry leaders - technically rigorous, comprehensive safety and regulatory management of their products. Our services include:

- Generally Recognized As Safe (GRAS)
- Feasibility Compliance Studies
- Claims Substantiation
- Food/Color Additive Petitions
- Safety & Risk Assessments
- FDA/USDA Representation
- Consumption Analysis
- Label Reviews
- Study Placement and Monitoring
- New Dietary Ingredient Notifications (NDIN)
- White Papers and Monographs

Our Orlando, Florida headquarters houses our staff, as well as our extensive library and other essential support services. Our state of the art video equipment allows for important face-to-face meetings, thus avoiding the time and cost of travel.

Burdock Group staff includes scientists at the forefront of their fields, as well as regulatory experts and project managers. Burdock Group offers the highest quality consulting services for the safety and regulatory issues facing the Food and Beverage, Dietary Supplement, Cosmetics/ Personal Care and Pet Food Industries. Together, we form a cohesive team that offers single-source solutions for your business's safety assessment and regulatory needs.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
