Canada Pharmacy is one of Canada's leading online mail order pharmacies with over 500,000 satisfied patients. We have dedicated ourselves to providing our patients with quality, safe medications at affordable prices, and more importantly, ensuring that their health and well being is our first priority.

We recognize that for some patients the thought of ordering their medications from a Canadian mail order Pharmacy can be somewhat un-nerving. We encourage you to take a look at the accreditation of our site to put your mind at ease. The regulations for dispensing prescription medications in Canada are as strict as they are in the United States, even though you may have heard otherwise. Our Pharmacies operate and are run by licensed Pharmacists. Our Pharmacies are also overseen by a governing body, The College of Pharmacists of British Columbia, Canada, just like a traditional drugstore.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
