Thousands of U.S. patients get their medications from Canadian pharmacies. Members of the U.S. Congress and Senate have led several well-publicized senior bus trips to Canada to buy Medications for less. Now more then ever you need more affordable medication. No matter what your age or income. There are no bus trips, no currency exchanges, no duty. Your medicine is delivered right to your doorstep, just by calling a toll free number. As an Canadian Pharmacy Web™ customer you will enjoy comfort and security of working with licensed Canadian Pharmacy, 24 hour toll free customer service, in addition to everyday low prescription prices. Oredering is Fast and Easy - [Click Here to Order Now](#). Canadian Pharmacy Web was created to satisfy the urgent and growing need for patients to purchase their prescription drugs at reduced prices. Orders placed with our pharmacy are reviewed by our fully licensed Canadian physicians and pharmacists. We provide you the safe way to purchase prescription drugs that are manufactured to the same high standards that apply in the United States. In fact, many Canadian prescription drugs are manufactured in the same plants that manufacture the drugs sold in the U.S.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB
