Connetics Corporation is a specialty pharmaceutical company focused on the development and commercialization of innovative therapeutics for the dermatology market. The Company's marketed products are OLUX® (clobetasol propionate) Foam, 0.05% and Luxiq® (betamethasone valerate) Foam, 0.12%, Evoclin™ (clindamycin phosphate) Foam 1%, and Soriatane® (acitretin) capsules. Connetics is developing Extina®, a foam formulation of the antifungal drug ketoconazole, Velac® Gel, a combination of clindamycin and tretinoin for treating acne, and Desilux™, a low-potency topical steroid, formulated with 0.05% desonide in the Company's proprietary emollient foam delivery vehicle. Connetics has branded its innovative foam drug delivery vehicle VersaFoam®. Our product formulations aim to improve the management of dermatological diseases and provide significant product differentiation, and have earned wide acceptance by both physicians and patients due to their clinical effectiveness, high quality and cosmetic elegance

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core

information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
