CPS offers clients guaranteed results! Today's and tomorrow's healthcare delivery system has inherent risks. Through partnering with our clients, we assume an at-risk position, which requires a high quality and efficient level of service delivery. In an era where cooperation is essential to positive outcomes, CPS has proven that partnerships are the most effective method of improving and providing the most cost-effective health care. Comprehensive Pharmacy Services provides health systems a full range of services. The core of our business is complete pharmacy management. There are many modular components of our service as well as additional progressive programs that together provide a wide range of pharmacy consulting, management expertise, and client options. CPS provides access to the most current methodologies and systems in the field. The customer can choose any option from a total pharmacy management program to a single component of assistance.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
