Established in the year 1990, with Research & Development as its prime fundamental, Divis Laboratories focussed on developing new processes for the production of Active Pharma Ingredients (APIs) & Intermediates. The company in a matter of short time expanded its breadth of operations to provide complete turnkey solutions to the domestic Indian pharmaceutical industry. With five years of experience, expertise and a proven track-record of helping many companies with its turn-key and consulting strengths, Divis Laboratories established its first manufacturing facility in 1995. Built on a 300 acre site at Hyderabad (Unit-I). the plant comprises of 13 multi-purpose production blocks and has space for further growth and expansion. Divis Laboratories set up its second manufacturing facility at Visakhapatnam (Unit-II). in the year 2002 on a 314 acre site. The site has 7 multi purpose production blocks.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
