Elomatic is one of the leading Scandinavian consulting and engineering companies. Today more than 550 Elomatic engineering professionals work in the four business units: Life Science, Marine, Paper & Mechanical, and Cadmatic. Elomatic has eight offices in Finland, an office in Sweden and in Russia, and a joint venture with the Pharmalab Group in India.

Throughout the history of Elomatic, spanning over 36 years, long lasting and close relationship with customers has been the solid foundation for our success. Earning our customers' trust and confidence and giving our customers the best that engineering can provide will be our guiding values also in the future.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
