Founded in 1984, Fertility Physicians of Northern California offers the full range of medical solutions patients need to start a family, from simple drug therapy to advanced procedures such as in vitro fertilization and pre-implantation genetic diagnosis. From our comfortable, convenient, private offices in San Jose and Palo Alto (CA) we have helped thousands of hopeful people become parents. Our services include the highest levels of patient care, emotional support and educational programs to assist you throughout your treatment. Our physicians are board certified specialists in reproductive endocrinology, infertility and obstetrics and gynecology, providing the most advanced training and education in the treatment of infertility, endometriosis, miscarriage and other reproductive disorders. Our clinical, nursing and laboratory staff is also composed of highly trained experts.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
