In the ever-complex world of healthcare, your partnership with a venture capital firm can truly make the difference between success and failure. At Frazier Healthcare Ventures, we understand the unique challenges and risks facing a growing entrepreneurial company in the healthcare industry because our sole focus is-and always has been-healthcare investing.

Founded in 1991 and with more than \$1.2 billion of capital under management, Frazier Healthcare is one of the nation's leading providers of venture and growth equity capital to emerging healthcare companies. Having invested in more than 85 emerging healthcare companies, Frazier Healthcare is well known for its depth of experience and the technical expertise of its investment team. This experience encompasses product development and launch, clinical trial implementation and design, industry operating experience, academic research and clinical practice.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast

service

- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
