Gulmay Medical Limited commenced operation in 1995 to develop, design, manufacture and market x-ray therapy equipment specifically to the medical market and now has an installed base of superficial and orthovoltage equipment in over 100 hospitals worldwide.

Gulmay Medical customers benefit from the groups integrated development philosophy. Offering a turnkey approach for therapy centres involving all aspects of room design, installation and acceptance testing together with certified operator training and local service and maintenance options.

Gulmay Medical acquired the North American business of X-raytherapy.com Inc, the leading supplier of superficial and orthovoltage X-ray therapy equipment in the United States, Mexico and South America.

Gulmay Medical Incorporated will market Gulmay Medical systems and continue to provide service support for existing therapy systems in these territories.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
