Hindustan Lever Limited is India's largest Fast Moving Consumer Goods (FMCG) company. It is present in Home & Personal Care and Foods & Beverages categories. HLL and Group companies have about 36,000 employees, including 1350 managers. The fundamental principle determining the organisation structure is to infuse speed and flexibility in decision-making and implementation, with empowered managers across the company's nationwide operations. For this, HLL is organised into two self-sufficient divisions - Home & Personal Care & Foods - supported by certain central functions and resources to leverage economies of scale wherever relevant.
