J.INC. has been in existence since 1997 and for the last one year have entered the field of facilitation and sourcing in the Pharma sector in addition to the running of a specialty chemical manufacturing unit. In a short span of this activity J.INC. has associated with MNC'S, Pharma majors and ofcourse medium sized and small formulation companies in India, Europe, Israel, Syria, Central America, China, Caribbean etc.. The satisfaction and appreciation from both buyers and the supplier's level has been over whelming and this is the main driving force for better performance in future.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
