At Levin & Company, we provide a quality - rather than quantity - search experience, supporting you from inception to final selection. Ours is a customized search process with a very personal touch. We listen to your needs, research your industry, and identify the particular values of your specific corporate culture, then develop targeted candidate specifications. Our proprietary real-time database and talented research team support all of our offices on every search.

Our 15+ years in the business of executive retained search gives Levin & Company a special understanding of the leadership needs which innovative, fast-paced organizations and emerging start-ups so vitally require. Because of our reputation and longevity in the Life Science and Technology fields, we attract the type of experienced, visionary candidates who can propel your company toward excellence. Over 70 percent of our assignments are at or above the Vice President level.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
