For more than 170 years, McKesson Corporation has led the industry in the delivery of medicines and healthcare products to retail and institutional pharmacies. Ranked 16th on the FORTUNE 500 with more than \$80 billion in annual revenue, McKesson delivers vital medicines, medical supplies and health information technology solutions that touch the lives of patients in every healthcare setting. The depth and breadth of our product and service offerings, coupled with the largest customer base in the healthcare industry, uniquely position McKesson to meet the needs of our customers:

200,000 physicians

25,000 retail pharmacies

10,000 long-term care sites

5,000 hospitals

2,000 medical-surgical manufacturers

750 homecare agencies

600 healthcare payors

450 pharmaceutical manufacturers

Empowering the evolution of healthcare, our products and services improve the quality of care, eliminate errors, reduce unnecessary costs, synthesize information for physicians, improve the workflow of nurses, and free up pharmacists to counsel patients.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
