Minnesota Eye Consultants is the proud vision of its partners and surgeons – Drs. Richard L. Lindstrom, Thomas W. Samuelson, David R. Hardten, Elizabeth A. Davis, William J. Lipham, and Patrick J. Riedel. This consortium of the most recognized leaders in ophthalmology today is dedicated to providing superior patient care while pursuing significant research in LASIK laser vision correction, refractive surgery, cataract and glaucoma treatment, oculoplastics and total eye care. Their mission: to enrich each patient's quality of life through research and innovative methods of enhancing images.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
