Ocimum Biosolutions is a life sciences R&D enabling company with three focus areas, BioIT, Microarrays and Research services. The Microarray division of Ocimum has been recently acquired from MWG Biotech. These include Catalog "OciChip", Custom "OciChip" and microarray services.

The BioIT division of Ocimum Biosolutions provides key, ready to use reliable, cost-effective software solutions for the biotech/pharma industry with a suite of products such as Biotracker™, Toxchek™, Pharmatracker™, Genchek™, OptGene™, Nutrabase™, Genowiz™ and iRNAchek™, and an array of custom services including Data mining, Algorithm development, Gene identification, Multiple-platform software development, Database creation and manipulation, and tools for image analysis.

The Research services division provides molecular biology services like GMO testing, Nucleic Acid Purification, DNA extractions, Oligonucleotide synthesis and Gene synthesis

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
