PDL BioPharma is a leader in the discovery, development and marketing of innovative therapies for serious or life-threatening illnesses, commercially focused on the acute care, hospital setting. Our therapeutic emphasis is on the areas of hepatorenal syndrome, inflammation and autoimmune diseases, cardiovascular disorders and cancer. Developing and commercializing innovative therapies for serious or life-threatening illnesses — this is what PDL BioPharma is all about. With a unique focus on the acute care, hospital-based setting, our research, development and commercial teams are working to bring new therapies to physicians and patients that we hope will improve and save lives. Today, our commercial products — Cardene I.V., Retavase and IV Busulfex — are helping patients with serious medical illnesses, while our research and development teams strive to bring important innovative new therapies to the forefront of tomorrow's patient care.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
