AAC is one of the largest independent providers of FDA regulatory, compliance and validation services to the pharmaceutical, biotechnology, food, and medical device industries. Founded in 1960, AAC is an industry leader, delivering up-to-the-minute information, interpretation of regulations, procedural assistance, and training to our clients.

Employing an unparalleled team of former high-level FDA officials, accomplished engineers and computing professionals, AAC has the unique ability to provide cGMP compliance auditing and training, FDA pre-approval inspection assistance, validation of manufacturing processes, qualification of computerized information systems, MES evaluation and implementation, documentation review, interpret regulations, develop regulatory strategies and compliance requirements, perform third-party GAP audits and write and review submissions.

Recent Publications by AAC Consulting Group:

- [Long-term food consumption and body weight changes in neotame safety studies are consistent with the allometric relationship observed for other sweeteners and during dietary restrictions.](#)

In long-term safety studies with neotame, a new high-intensity sweetener... 15th April, 2004

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
