The Firm of Powell Goldstein LLP prides itself on its 97-year history and its long line of distinguished lawyers, many of whom have served as legislators, judges and justices and as general counsel for major corporations. Our lawyers serve clients in all aspects of business and personal legal matters and contribute to their communities through many civic organizations, charitable endeavors and public service legal organizations. Since its founding in 1909, the Firm has grown to more than 300 attorneys and 3 offices in Atlanta, GA, Washington, D.C., and Dallas, TX. Our lawyers offer services in more than 18 practice areas and represent corporations and organizations throughout the United States and the world.

Our first priority is serving our clients' business interests in an increasingly complex business world. By understanding our clients' business and dedicating ourselves to client service, we represent our clients with both legal wisdom and a business vision. Our clients have been consistent in their statements that what distinguishes our Firm is the uniform excellence of our legal services and the dedication to client service of our people. We seek talented, diverse and capable people to join us in providing excellent client service. As we prepare to take our Firm to the next level of growth, our plans are based on the desire to continue to serve our clients' needs with enthusiasm and by going Above and Beyond. SM

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months

old.
