Formed in 1994, PII is a customer-oriented company committed to quality and on time service. Located outside of Baltimore, Maryland, PII has grown to its present size of over 250 employees through a high level of customer service that earns repeat business. PII manufactures solid and semi-solid dosage forms for Clinical Trial Materials (CTM) and commercial manufacturing. PII is focused on meeting client needs while upholding the highest standards of scientific and regulatory excellence. PII has a balanced client base of multinational and virtual pharmaceutical companies which are located in the United States and Europe. The business is focused on formulation development, Clinical Trial Material (CTM) manufacturing and commercial manufacturing, which are complemented by full analytical and regulatory support. Over the last 5 years, PII has expanded its capabilities and facilities to include state-of-the art manufacturing suites (including containment suites), equipment and an automated packaging line. The 72,000 square foot cGMP facility contains on-site manufacturing suites, analytical laboratories and 30,000 square feet of additional warehouse space. A further 80,000 square feet of space will be added in the fall of 2004.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
