PSI is a pharmaceutical consultancy company situated in Belgium, in the heart of Europe.

PSI was founded in January 1993 by our CEO, Lieve Vermassen.

PSI n.v. and PSI supply n.v. are the European subsidiaries of Jubilant Organosys.

PSI has a strong team of Regulatory experts in Belgium to undertake the Europe Regulatory Approvals.

Whereas the development and manufacturing is undertaken by Jubilant in India. Close customer relationships are taken care of by the Sales team of PSI and PSI supply. This synergistic relationship provides an operational and geographical fit between PSI and Jubilant. PSI provides Jubilant a base in Europe to enhance the service levels to its customers.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
