## Renata Limited Patents:

- 6841295- [Rolled electrode battery with heat sink](#)
- 5033616- [Blister pack for button batteries](#)
- 5569561- [Primary or secondary electrochemical generator having a nanoparticulate electrode](#)
- 5716615- [Dietary and pharmaceutical compositions containing lyophilized lactic bacteria, their preparation and use](#)
- 6087037- [Vertically positioned support for a button type battery](#)
- 6159630- [Safety vent for storage battery or cell](#)
- 6190794- [Prismatic storage battery or cell with coiled winding](#)
- 6232015- [Prismatic storage battery or cell with rigid compressive container](#)
- 6348851- [Breaker switch and battery including the same](#)
- 4658151- [Battery-supported integrated switching element](#)

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
