AMENWORLD was set up in 1999. In 2004, Amenworld became a subsidiary of VIA NET.WORKS INC. Over the years, AMEN has become one of Europe's main players. A Gold Premium partner, AMENWORLD UK was chosen in November 2002 by Domainnames -part of the Verisign group- to be trusted with the care of about 50,000 Domainnames.com customers.

AMENWORLD focuses on three critical areas to deliver unrivalled service: Technical Support by email, phone or chat, innovative products and technology and 99.9% availability of services.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months

old.
