The Covalent Group is a unique drug development and research management company with the ability to design complete development strategies, provide input from world-renown thought leaders, design and author clinical development reports and programs, deliver comprehensive CRO services and successfully manage the global submission process. We provide these services in accordance with either an integrated or a segmented model, depending upon the needs of the customer, in the following therapeutic areas:

Cardiovascular Disease

Endocrinology, Metabolism, & Diabetes

Neurology and Psychiatry

Oncology Respiratory and Allergy

Gastroenterology

Women's Health

Dermatology Infectious Disease and Vaccine

Genitourinary Disease

Medical Device

Rx to OTC

In addition, we have the capability and experience to help academic institutions conform with new federal mandates requiring higher levels of compliance with FDA established Good Clinical Practices (GCP).

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's relate service indepth.

The annual cost is \$495.00 for established organizations and \$295.00 for organizations less than 12 months old.
