Time Warner Cable owns and manages the most advanced cable TV operations in the U.S. Our history has been one of innovation, including the design of the fiber-coaxial technology that set the industry standard. We've invested billions of dollars in new Cable, High-Speed Online and Digital Phone services to bring them home to customers faster. Our fully upgraded network allows us to deliver the future to the communities we serve.

- 7266726- [Methods and apparatus for event logging in an information network](#)
- 7260606- [Attenuation, delay, queuing, and message caching processes for use in e-mail protocols in order to reduce network server loading](#)
- 5774458- [Multiplex amplifiers for two-way communications in a full-service network](#)

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
