Yorkshire Forward is the Regional Development Agency behind the economic regeneration of the Yorkshire and Humber region, we make a positive difference to its people, its business and its environment. Over 270,000 businesses contribute to an economy worth in excess of £75.2 billion, while over 5 million people mean this region ranks alongside countries including Ireland, Greece, Norway and Singapore. Yorkshire Forward drives the success of the region by using the £2.50 we get each week on behalf of our taxpayers to provide them with more jobs, access to new markets for businesses and to regenerate our town and city centres.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
