Founded in 1981 (as Control Drug Inc.), Medical Nutrition USA, Inc. (MNI), develops and distributes nutrition-medicine products for the nutritionally at risk who are under medical supervision. We focus on evidence-based research to develop better clinical outcomes for nursing home residents, dialysis patients and bariatric surgery patients. Our primary customers are long-term care facilities, hospitals, dialysis clinics and bariatric surgery clinics and their patients. Our products, which include the Pro-Stat® line of liquid, hydrolyzed protein, and Fiber Stat™ laxation liquid with FOS, are available through many distributors including: McKesson Corporation; US Foods, Inc.; GulfSouth Corporation; MedLine Industries Inc.; Tri-State Distributors Inc.; ChemRx Inc.; and others. Our products are also available for purchase through this website (see "How To Buy"). MNI is a Delaware corporation whose shares have been publicly traded on the OTC bulletin board under the symbol MDNU.OB since 1992. Our principal offices are at 10 West Forest Avenue, Englewood NJ, 07631.

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
