Microtek Medical is a leading manufacturer and supplier of innovative product solutions for patient care, occupational safety and management of infectious and hazardous waste for the healthcare industry. Headquartered near Atlanta, Georgia, the Company offers an extensive line of infection control, fluid control and safety products, such as disposable equipment and patient drapes, which are marketed to healthcare professionals through multiple channels, including direct sales, original equipment manufacturers ("OEM's") and private label arrangements. Microtek Medical's goal is to provide healthcare professionals with innovative product solutions that encompass a high-level of patient care and prevention of cross infection in operating rooms and ambulatory surgical centers worldwide.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's relate service indepth.

The annual cost is \$495.00 for established organizations and \$295.00 for organizations less than 12 months old.
