At Clinical Innovations, our mission is to conduct Phase I-IV clinical trials in order to further the development of medications benefiting patients, communities, and physicians around the globe.

Located in Southern California, CiTrials has the experience and expertise in performing Psychiatric and Internal medicine trials. From pediatric, first in human, single and multiple ascending dose, and drug-drug interactions, we not only have the knowledge, but we have the experience to conduct your next clinical trial.

Clinical Innovations is a full-service clinical research organization with specialization in Phase I-IV trials with emphasis on CNS and Internal Medicine.

Quality, timeliness, integrity, and openness are the key elements we bring to each clinical trial.

Our Psychiatric (CNS) trials include Schizophrenia, Schizo-affective, Bi-polar - manic and depressive, Major depressive disorder, Generalized anxiety disorder, Alzheimer's disease, and ADHD.

We also have expertise in Internal Medicine clinical trials such as Migraine, Hypertension, Autism Spectrum Disorder, Hyper-Lipidemia, Pharmacokinetics, and Diabetes.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services.

BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service

- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
