*The immunoglobulin molecule contains structural features that make it a...* 4th March, 2006  
Apton Corporation,- Semin Oncol. 2005 Dec;32(6 Suppl 9):S82-6. ([DOI Direct Link](#))

## Apton Corporation Patents:

- 6861510- [Immunogenic compositions against gastrin peptides](#)

- 4814170- [Method for immunization against and treatment of infection by ectoparasites and endoparasites](#)
- 4891219- [Method for immunization against and treatment of infection by ectoparasites and endoparasites](#)
- 5023077- [Immunogenic compositions and methods for the treatment and prevention of gastric and duodenal ulcer disease](#)
- 5468494- [Immunogenic compositions against human gastrin 17](#)
- 5607676- [Immunogenic compositions against gastrin peptides](#)
- 5609870- [Methods for the preparation of immunogens against gastrin](#)
- 5622702- [Immunogenic compositions and methods for the treatment and prevention of gastric and duodenal ulcer disease](#)
- 5688506- [Immunogens against gonadotropin releasing hormone](#)
- 5785970- [Method of the treatment of gastrointestinal disorders with immunogenic compositions against gastrin](#)
- 5866128- [Method for the treatment and prevention of gastric and duodenal ulcer](#)
- 6132720- [Immunogens against gonadotropin releasing hormone](#)
- 6303123- [Methods for the treatment of hormone-dependent tumors with immunogens against gonadotropin releasing hormone](#)
- 6359114- [System for method for the modification and purification of proteins](#)
- 6548066- [Immunogenic compositions to the CCK-B/gastrin receptor and methods for the treatment of tumors](#)
- 6783761- [Chimeric peptide immunogens](#)
- 4795634- [Method for contraception by immunization against the zona pellucida](#)

## BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership username and password
- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's relate service indepth.

The annual cost is \$495.00 for established organizations and \$295.00 for organizations less than 12 months old.
