Fisher Scientific International Inc. is the world leader in serving science. The Company provides hundreds of thousands of products and services to research, healthcare, industrial, educational and government markets in 145 countries. Serving over 350,000 customers, Fisher achieved record sales of \$2.9 billion in 2001, the Company's 46th consecutive year of increased sales. Fisher manufactures and distributes scientific instruments, equipment, supplies, workstations and chemicals used by research laboratories; diagnostic instruments, test materials and related products for clinical laboratories; and teaching aids for science education. Fisher is also a leading supplier of occupational health and safety products and maintenance, repair and operating (MRO) materials. These products are manufactured in the Company's own facilities, by several thousand independent scientific suppliers, and by thousands of other producers.

BioCorporate Profiles - upgrade to a full profile

BioPortfolio's BioCorporate full profiles offers your organization the opportunity to increase internet traffic to your corporate web site and enhance awareness of your business, technology, products and services. BioCorporate profiles are dynamic and are updated weekly with new information sourced from core information resources: publications, clinical trials, patents and global news.

Why you should upgrade your BioPortfolio BioCorporate profile:

- the ability to amend and add information on products and services to your profile using a membership

username and password

- the option to add a corporate logo
- the creation of high value URL links back to your organization's website which will improve search engine ranking - resulting in increased site traffic
- the option have your press releases published on BioPortfolio and distributed via our BioNewsCast service
- an enhanced BioCorporate profile will also improve your exposure on BioPortfolio's related service InDepth and GeneDB

The annual cost is \$995.00 for established organizations and \$495.00 for organizations less than 12 months old.
