

## Behavioral Risk Factor Surveillance System

[View the current Behavioral Risk Factor Surveillance System InDepth page on BioPortfolio.com](http://www.bioportfolio.com/indepth/Behavioral_Risk_Factor_Surveillance_System.html)

([http://www.bioportfolio.com/indepth/Behavioral\\_Risk\\_Factor\\_Surveillance\\_System.html](http://www.bioportfolio.com/indepth/Behavioral_Risk_Factor_Surveillance_System.html))

The Behavioral Risk Factor Surveillance System is a United States national health survey that looks at behavioral risk factors. It is run by Centers for Disease Control and Prevention and conducted by the individual states. The survey is administered by telephone and is the world's largest such survey.
