

Central Nervous System Venous Angioma

[View the current Central Nervous System Venous Angioma InDepth page on BioPortfolio.com \(PDF\)](#)
(http://www.bioportfolio.com/indepth/Central_Nervous_System_Venous_Angioma.html) - Regularly Updated.

Recent Publications on Central Nervous System Venous Angioma:

- [Cerebral developmental venous anomalies: current concepts.](#)
*Cerebral developmental venous anomalies are the most frequently...*30th October, 2009
Division of Interventional and Diagnostic Neuroradiology, Geneva- *Ann Neurol.* 2009 Sep;66(3):271-83.
([DOI Direct Link](#))
- [Thrombosed developmental venous anomaly associated with cerebral venous infarct.](#)
*BACKGROUND AND PURPOSE: Although it is generally accepted that...*3rd October, 2009
Departamentos de Radiologia, Rede Sarah de Hospitais de Reabilitacao,- *Arq Neuropsiquiatr.* 2008 Sep;66(3A):560-2.
- [Mental retardation, facial anomalies, brachydactyly, cerebral angiomas, femoral nucleus necrosis: a new entity or Hall-Riggs syndrome?](#)
*We report on a 4-year-old boy with mental retardation, facial and skeletal...*19th June, 2009
Institute of Maternal-Infantile Sciences. Polytechnic University of- *Am J Med Genet A.* 2009 May;149A(5):1001-5. ([DOI Direct Link](#))
- [Susceptibility weighted imaging in holohemispheric venous angioma with cerebral hemiatrophy.](#)
*We would like to report a rare case of a venous angioma with a chronic...*3rd June, 2009
Department of Imaging Sciences and Interventional Radiology, Sree Chitra- *Neurol India.* 2008 Jan-Mar;56(1):103-4.
- [Postpartum thrombosis of a developmental venous anomaly.](#)
*We report on a 4-year-old boy with mental retardation, facial and skeletal...*9th April, 2009
Department of Neurology, Hospital of the University of Pennsylvania, 3W- *Neurology.* 2009 Jan 6;72(1):92-3. ([DOI Direct Link](#))
- [Diffuse hemangiomatosis with predominant central nervous system involvement.](#)
*Diffuse neonatal hemangiomatosis presents with multiple, progressive,...*2nd April, 2009
Section of Neurology, Department of Internal Medicine, University of- *Pediatr Neurol.* 2009 Jan;40(1):54-7. ([DOI Direct Link](#))
- [Preliminary evidence of safety following administration of L-DOPA and buspirone in an incomplete monoplegic patient.](#)
*STUDY DESIGN: Case report. OBJECTIVES: To report a case where a monoplegic...*20th March, 2009
CHUL Research Center, Neuroscience Unit, Quebec City, Quebec, Canada.- *Spinal Cord.* 2009 Jan;47(1):91-2. Epub 2008 Jun 10. ([DOI Direct Link](#))
- [Pathomechanisms of symptomatic developmental venous anomalies.](#)
*BACKGROUND AND PURPOSE: Although it is generally accepted that...*7th January, 2009

- Service de Neuroradiologie Diagnostique et Therapeutique, Hopital de- Stroke. 2008 Dec;39(12):3201-15. Epub 2008 Nov 6. ([DOI Direct Link](#))
- [Brain parenchymal signal abnormalities associated with developmental venous anomalies: detailed MR imaging assessment.](#)
BACKGROUND AND PURPOSE: The occurrence of brain parenchymal...1st November, 2008
Department of Radiology, University of Cincinnati College of Medicine,- AJNR Am J Neuroradiol. 2008 Aug;29(7):1317-23. Epub 2008 Apr 16. ([DOI Direct Link](#))
 - [General practitioner's radiology case 62. Sturge-Weber syndrome.](#)
BACKGROUND AND PURPOSE: Although it is generally accepted that...23rd October, 2008
Faculty of Dentistry,- SADJ. 2008 Apr;63(3):172.
 - [Venous lesions as a cause of sylvian aqueductal obstruction: case report.](#)
OBJECTIVE: The cases of two patients who presented with sylvian aqueductal...13th August, 2008
Division of Neurosurgery, Federal University of Minas Gerais, Belo- Neurosurgery. 2008 May;62(5):E1167-8; discussion E1168. ([DOI Direct Link](#))
 - [\[Case of venous angioma with chronic encapsulated hematoma\]](#)
*We would like to report a rare case of a venous angioma with a chronic...*16th April, 2008
Department of Neurosurgery, National Hospital Organization Disaster- No Shinkei Geka. 2008 Mar;36(3):245-9.
 - [Sturge-Weber syndrome accompanied with multiple congenital intracranial lesions.](#)
*Sturge-Weber syndrome is one of the neurocutaneous syndromes. It is a...*19th January, 2008
Department of Neurosurgery, Abant Izzet Baysal University, Bolu, Turkey.- Acta Neurochir (Wien). 2007 Aug;149(8):829-30; discussion 830. Epub 2007 ([DOI Direct Link](#))
 - [Treatment differences in cases with venous angioma.](#)
*Venous angiomas were found to be the most common cerebral vascular...*10th November, 2007
Baskent University, School of Medicine, Department of Neurosurgery,- Turk Neurosurg. 2007;17(1):40-4.
 - [Case report: seizures in a child caused by a large venous angioma.](#)
*Cerebral venous angioma is a congenital anomaly of the medullary vein, the...*1st September, 2007
Department of Pediatrics, Baskent University Adana Teaching and Medical- J Child Neurol. 2007 Jun;22(6):787-9. ([DOI Direct Link](#))
