

Feces

[View the current Feces InDepth page on BioPortfolio.com](http://www.bioportfolio.com/indepth/Feces.html) (<http://www.bioportfolio.com/indepth/Feces.html>)

Feces, faeces, or fæces is a waste product from an animal's digestive tract expelled through the anus during defecation. The word faeces is the plural of the Latin word *fæces* meaning "dregs". There is no singular form in the English language, making it a plurale tantum.
