(<http://www.bioportfolio.com/indepth/Mansonelliasis.html>) - Regularly Updated.

Mansonelliasis is the condition of infection by the nematode *Mansonella*. Manubrium The manubrium or manubrium sterni is the broad, upper part of the sternum. With a quadrangular shape, wider superiorly and narrower inferiorly, it articulates with the clavicles and the first two ribs. ([From the Wikipedia article Mansonelliasis](#).)
