

Vasculitis

[View the current Vasculitis InDepth page on BioPortfolio.com](http://www.bioportfolio.com/indepth/Vasculitis.html)

(<http://www.bioportfolio.com/indepth/Vasculitis.html>)

Vasculitis, a group of diseases featuring inflammation of the wall of blood vessels including veins, arteries and capillaries due to leukocyte migration and resultant damage. While most vasculitides are rare, they generally affect several organ systems and can cause severe disability.
