

PwC BioScience Index & RaceCard

September – October 2007

www.pwc.co.uk

The BioScience Index & RaceCard is compiled from share price and market capitalisation data published in the Financial Times and the Investors Chronicle. September and October data has been taken from the Financial Times on 1 October 2007 and 29 October 2007 respectively.

BioScience Index

Newly listed companies are assigned the Index at the end of the month in which the company's shares were listed.

The Index has increased during the last two months and is approximately 90% of its value at 31 December 1999.

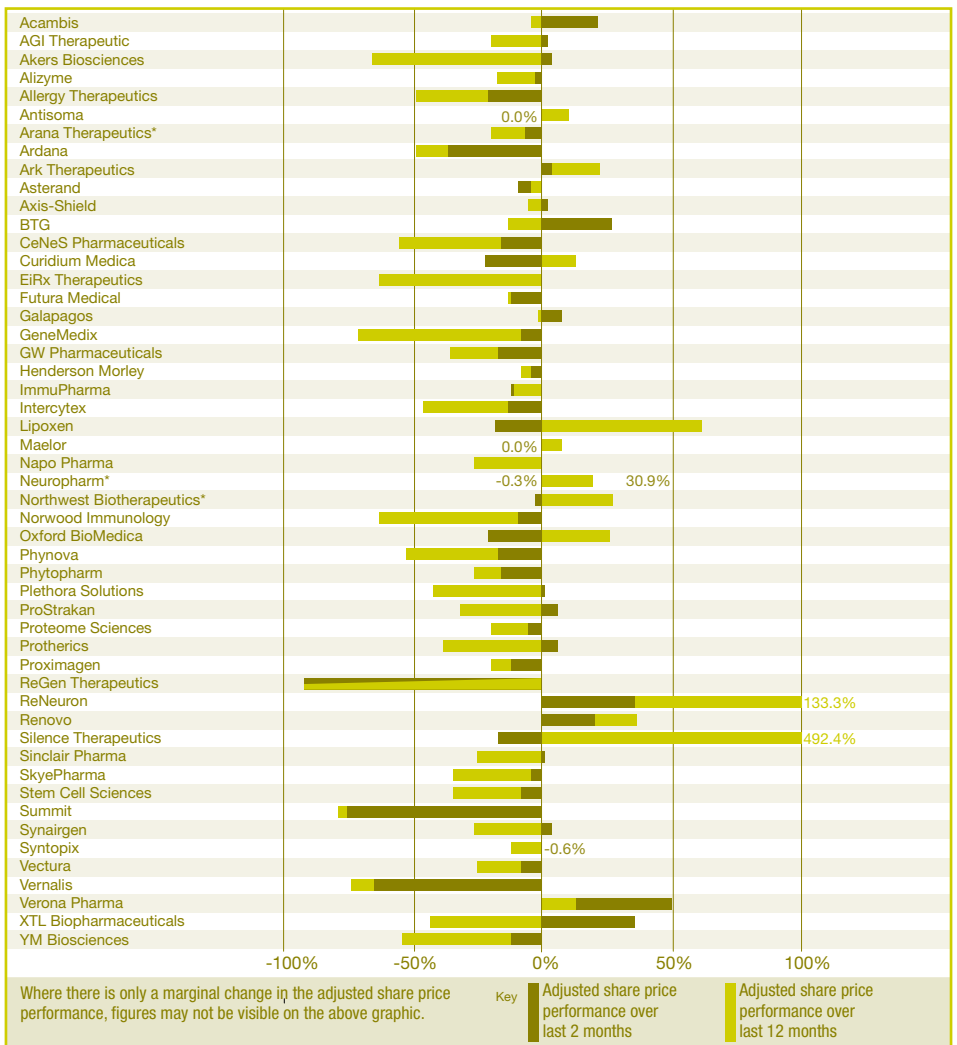

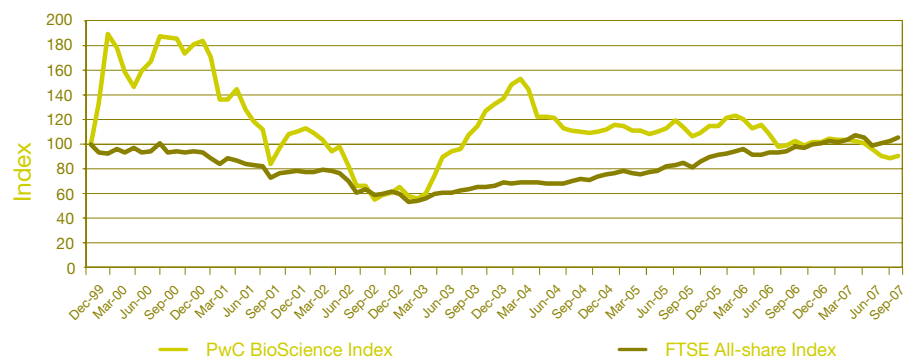

RaceCard

The RaceCard analyses the share price performance of 51 UK listed bioscience companies relative to their share price two and twelve months previously.

* denotes companies who have been listed for less than 12 months and therefore have no adjusted share price performance for this period.
